Friday 13th April 2020

We do hope you all manage to have a lovely Easter weekend. School is definitely too quiet without the children and we do want them to know that all the staff are thinking about them all and truly miss them.

There is someone checking the school email daily and therefore if you need to make contact with us (even during the Easter holiday), please do not hesitate to email. (admin@kp.starmat.uk)

Below is a link to a children's book that has been written about the Coronavirus, that you may wish to share with your child. It does explain everything carefully, in a child friendly way. As always however, please check first that the information contained within it is what you wish to share with your child.

We hope you have seen and like the lovely STAY SAFE Rainbow that is now adorning Kellington Primary School fence, kindly created by key worker's children and staff this week. Look out for it being featured in the Selby Times next week

Take care, STAY SAFE and enjoy the Easter weekend the best you can. Kind regards

Helen Humphrys (Headteacher)
