Friday 22nd May 2020

So we have reached the end of another half term. It definitely has been different and not what we expected, but hopefully there have been good times and memories made just in a different way for you all.

As it is half term next week, although school will be open between Tuesday - Friday for identified children, there will be no home learning set. We will be back to normal from the 1st June.

Thank you to all those parents who completed the online survey in response to the phased reopening of school from June 1st 2020. This is not a firm commitment, but is to help us plan further detail. Should the plan for wider re-opening go ahead after government assessment on 28th May, we will write out with full details on the 29th May. At this point we will be asking for a firm indication of a required place for each child who is due to start school in the first phase.

School Choir - Thank you to those children who have sent us videos. They are amazing. We have however decided to run with this after half term and do some singing of the song with the children in school. We will video this and add to the videos already submitted for our first choir performance. If you would still like to do this individually or with your family...please send us your video to admin@kp.starmat.uk

The song is '**Here Comes the Sun**' by the Beatles <https://www.youtube.com/watch?v=ElW8dK1POA4>
This is the karaoke version which if possible we would like you to use when you make your video. You may however prefer to learn it with words on your backing track.
<https://www.youtube.com/watch?v=mc1ta1UMGeo>

We would also like to invite you to take part in an event run by Young Voices. It is a big communal sing on Tuesday 2nd June and the song is 'Power' that I know many of you already know. Please have a look at the information here and once you have sent us your videothen get 'cracking' with practising for this one. <https://vimeo.com/414954445>

New Library - Please - If anyone knows of any way to support this venture , either through grants, local business donations or indeed fundraising ideas, please do not hesitate to contact me. If you would like to practically support our fundraising campaign by helping with any of the above, again please get in touch...we can definitely find you a job. (admin@kp.starmat.uk). A new and exciting library learning space would really help enhance the childrens' learning and help promote a real love of reading, **so please, please do help if you can.**

PTA -The PTA will be supporting our fundraising venture. Please, do support them and join their PTA Facebook page where there will be details of any events that are happening or activities to engage in . The link is: <https://www.facebook.com/groups/678444229358277/?ref=share> This is a closed group and is monitored by the administrators and so is kept as safe as possible.

Calling all 'budding film makers'

There is still time to enter this amazing competition and I am sure many of our children could be inspired to create a 2 minute film. It was mentioned on national radio this week and may also have been mentioned on children's TV programmes. All the details are found here.

<https://www.bfi.org.uk/explore-film-tv/competitions/welcome-see-yourself-screen-challenge>

<https://www.seeyourselfonscreen.co.uk/>

It would be fantastic if some of you were to enter this competition. Please don't forget to send us a copy of your entry too.

Food Vouchers- We understand that these are tough times financially for many people. **Please,** if anyone is struggling and a Selby foodbank voucher would help you, do get in touch. All correspondence will be treated in the strictest confidence and vouchers can be delivered safely and discreetly. (admin@kp.starmat.uk)

Finally something that was shared with me that I think you may enjoy watching - I really enjoyed watching it and hope you do too.
