## WEEKLY NEWS

The school football had a fantastic match at home this week, winning 4-0 against Brotherton and Byram Primary School. Thank you to everyone who came to support them and also to the adults who give their time each week to train them. Well done footballers - it really was team work!

At the start of term in September we predicted that the children would be absolutely shattered by the time we broke up for the holiday as eight weeks is incredibly long a first half term. However we have to say: they've been fabulous! Their behaviour throughout the half term has been some of the best we've seen and they've continued working hard right through to the end of the week. They've certainly earned their holiday and we hope that they have a great week.
