

Dear Parent/ Carer

ICT including the internet, e-mail and mobile technologies has become an important part of learning in our school. We expect all children to be safe and responsible when using any ICT.

Please read and discuss these eSafety rules with your child and complete and return this form. If you have any concerns or would like some explanation please contact Mrs Parker.

Please take care to ensure that appropriate systems are in place at home to protect and support your child/ren.

**Foundation / Key Stage 1**

**Pupil Acceptable Use Agreement / eSafety Rules**

- I will only use ICT in class when an adult tells me
- I will only click on icons and use programs that I know are for me
- I will only go on the internet with an adult near
- I will not tell other people my ICT passwords
- I will only open/change my own files
- I will tell an adult if something happens that I don't understand or like
- I will make sure that all ICT contact with other children and adults is responsible, polite and sensible
- I will not look for, save or send anything that could be unpleasant or nasty. If I accidentally find anything like this I will tell my teacher straight away
- I will be responsible for my behaviour when using ICT because I know that these rules are to keep me safe
- I know that my use of ICT can be checked and my parent/carer contacted if a member of school staff is concerned about my safety

We have discussed this document with our child and agree to follow the eSafety rules and to support the safe use of ICT at Kellington Primary School.
