## WEEKLY NEWS

Year 6 certainly got the summer activities off to a good start this week with their Leavers' Assembly! They sang, they danced, they shared their memories and aspirations and above all they showed what a fantastic group of young people they have grown up into. It was wonderful to see both the individual personalities and the group identity as we watched them on stage. A very big thank you to everyone who came to share this special assembly with them and to all the staff who have been involved with the children during their time at Kellington. As you know, the end of year events have been brought forward because some of the year 6's are leaving us early to start at their High Schools. This week we say goodbye and good luck to Josh Doy and Elizabeth Stringer.

Diamonds have been continuing their topic-linked learning about transport this week, turning their skills to hot air balloon making! Watch out on Twitter for photos as the embryonic balloons develop into the finished articles!

Thank you for your continued support.

A huge thank you to all who have participated in today's Non-Uniform Day, and have donated items for the Summer Fair. We couldn't put on events such as these without your commitment.

Our Summer Fair is on 8th July, with loads of fun, games and spending opportunities, all in a good cause. Can't wait to see you all there!

Our End-Of-Term Disco will be held on Friday 14th July, from 3.45-5.15pm. It would be fabulous to see as many families as possible, celebrating the end of another brilliant year at Kellington Primary School!
