WEEKLY NEWS

There's no doubt that the highlight of this week was a visit from Ian Botwright, a Robotwars competitor, along with Crackers, one of his team's robots. The children were an excellent audience, asking lots of interesting questions and definitely showing their enthusiasm for building and battling with robots. It was very exciting to hear about the battle that the robot had been in and to learn about the strength and the power of them. There was no question of us having anywhere safe enough to see Crackers in action so we'll have to wait until the screening of the Robotwars on 2nd April!

Thank you for supporting us in raising money for Comic Relief through the sale of red noses - the children looked very entertaining in Friday assembly. Even the school dinner was Comic Relief themed, thanks to Miss Gibbons and Mrs Rowley!

It's wonderful to see how much the children know about fundraising events such as Red Nose Day and the importance they place on improving the lives of people they will never meet, often living in countries they may never visit. This truly embodies the values of our school as a place where the children become happy, caring and responsible citizens who make a positive contribution to the world.
