WEEKLY NEWS

The skateboard and scooter workshops proved to be a fantastic start to the week for Diamonds, Emeralds and Sapphires children! We can't remember having so much positive feedback from the children about an activity that they've taken part in! We were very proud of the enthusiasm they showed and the way they supported each other. They all pushed themselves to try new and different things and they thought that the instructor, Liam, from Team Rubicon was fantastic! All in all a good use of some of our PE and Sport funding!

A large group of KS1 children took part in a Beanbag Rounders tournament at Kirk Fenton Primary School on Thursday afternoon. Miss Beadnell and Mrs Calam were very impressed at how hard they tried against the other schools! A big thank you to the families who helped to transport the children - without volunteers

doing this we wouldn't be able to take the children to Sports Cluster events. The children all enjoyed the event and thought it was really fun. **Chester** - "I liked it because I got all the way around." **Harry** - "It was fun because you got to swap between fielding and throwing." **Olivia** - "I liked it because I got to run lots."

Our Reception children had their best smiles today for the Selby Times photographer! Look out for the photograph which will be in the paper either next week or the week after.

We were very pleased to welcome Sarah Sayer to our Friday assembly in her role as Parent Governor. Mrs Sayer said, "I was very proud of all the children as they were aware of who I was and why I was there. They achieved so much and had lots to share!" Our assemblies have a different focus each day: Monday - we celebrate birthdays and award Silver Lights and SMIRF certificates; Tuesdays - children from a different class each week share what they

have been doing with the rest of the school (this helps to promote speaking to an audience); Wednesday - we discuss British Values, personal, social, emotional and citizenship matters; Thursday - this is our singing assembly which Mr Hookham very kindly supports; Friday - this is our celebration assembly when the children receive Gold Awards and we find out which class has the best attendance. This means that over the course of a week the children have opportunities to sing, share each other's achievements and develop important values.

Staff

We are very sad to let you know that Mrs Yorke (ATA in Rubies Class) will be

leaving us at the end of this term. We would like to thank her for all of her hard work and dedication during the 9 years that she has been with us and wish her all the very best for the future.

Parents' Evenings

All the children will have brought home appointment confirmation slips this week. If you haven't received yours please speak to your child's class teacher.

Internet Agreement

Every child should have brought home a new E-Safety Agreement this week, which needs reading and signing by both a parent/carer and the child. If you haven't yet returned yours, please do so by next Monday. Thank you.

Poskitts Pumpkins - Thank You!

We are very grateful once again to local farm Poskitts, who have donated 30 pumpkins for us to sell as a fundraiser. They will be on sale at £1 each from next Monday. There will be a pumpkin display in school on the first day back after half term, Monday 30th October.

Half Term

A reminder that we break up for half term next Friday 20th October and return to school on Monday 30th October.

Eggtots Halloween Fair

This event will be held at Whitley/Eggborough Village Hall on Saturday 21st October from 12:00 - 3:00 pm. There will be lots of stalls, games, activities and refreshments.
