WEEKLY NEWS

As you will have seen on recent newsletters Miss Gibbons, Mrs Hamilton and Mrs Calam have started an after school gardening club with the intention of smartening up the Discovery Zone and attracting birds and insects. The club has only been running three weeks but the children have already made a huge difference, doing lots of tidying and sorting ready for planting. A very big thank you to everyone in the Kellington (and wider) community who has donated bird food, feeders and seeds. The gardening club is now in need of compost so if anyone has any to spare it will be gratefully received!

for the money donated to this very worthwhile charity; we will let you know the amount raised next week.

We've had an excellent Sport Relief event to finish the week! Organised by the School Council, this involved all of the classes taking part in a different energetic activity, wearing 'red additions' to their PE kits! Everyone had great fun as well as doing some extra exercise and we raised money. Thank you to everyone
