## WEEKLY NEWS

What an exciting week the children have had to finish off the term. Despite the rain threatening to spoil things, Rubies and Diamonds classes had a wonderful time on Tuesday visiting Cannon Hall Farm (and we didn't get wet!) The children saw lots of animals, some of which they were able to feed and stroke, and really enjoyed exploring the farm.

Thanks again to Yorkshire Agricultural Society for their grant of £500 towards the funding of this trip. A very big thank you as well to the parents and grandparents who came along to help, to the staff for doing such a good job of organising it all and to the children for being amazing!

As the perfect follow-up to the trip, two 10-day old lambs paid a visit to school on Wednesday! Children throughout school were fascinated by being them and couldn't resist the opportunity to stroke them. Thank you so much to Mrs Slater, who has children in Rubies, for bringing them in for us to see - watch this space for news of what she's arranged for us next!

Two children from Sapphires Class have been to Riverside Primary School to take part in the second day of K'Bots, a construction challenge. They joined children from Saxton Primary School for form a team and together came second in the series of challenges! Very well done to them both and thank you to Mrs Hamilton for taking them.
