## WEEKLY NEWS

We are so pleased with the wonderful start that the children have made to the new school year! There is so much hard work going on in the classes and the children are really focused on learning new things and being the best that they can be. Behaviour in the classrooms and outside is good and most of the children are being really kind to each other. Thank you for your support in sending the children to school with a good attitude to learning and to upholding our rules and values.
