WEEKLY NEWS

After a 'settling in' week last week, this week has been 'business as usual' once and again the children have impressed us all with how fantastic they've been! We're seeing excellent attitudes to learning in all of the classes, including where routines and activities are completely new! The children who have newly moved into Year 3 had their first swimming lesson this week and despite some of them never having been before they did brilliantly! Mrs Mackenzie and Miss Gibbons were very proud of them all. After school clubs have also started this week and it's great to see so many of the children having chance to take part in the activities on offer - thank you for your support in enabling the children to attend.

After School Gymnastics Club

There are still a few places left on the Premier Sports club held every Wednesday from 3:15 - 4:15. It is open to all children from Y1 to Y6 and the cost to the end of term from next week would be £24. If you would like a place for your child please ask for a form from the office.

Free School Meals

As you are aware every child in Reception and Years 1 and 2 receive universal free school meals. However if your family is entitled to free school meals for economic reasons (i.e. if you are in receipt of certain benefits or are unemployed) the school could potentially receive more funding for your child. Regardless of what year your child is in, if you think your family would fall into this category (and you have not already made a claim) please could you ask for a claim form from the school office. All applications will be treated with the utmost confidentiality. Thank you.

Parking

Please do not park in the entrance of the staff car park when dropping off and collecting your children. Thank you.
