WEEKLY NEWS

Welcome back and a very happy New Year! We think it was a bit of a shock for the children having to come back to school on Tuesday - they were so quiet! However it didn't take them long to get back into school mode and start chatting and sharing news about their Christmas holiday. We were very impressed with how smart they looked when they were all together in assembly: thank you for your support in ensuring that they wear the school uniform. All the classes have been busy getting back into their normal routines this week - it feels now as though we haven't been away. Look out over the coming weeks for the exciting things the children are doing - remember you can follow the school on Twitter (@kellingtongsch) and also follow your child's class (e.g. @emeraldskelli).

Emeralds enjoying their Science investigation.
