Dear Parents and Carers

I am writing to confirm that school will be closed to all children for the February half term break. We will also be closed to children on Friday 12th February as this is a previously scheduled inset day.

School and the remote learning platform will therefore close on 11th February 2021 and reopen on Monday 22nd February 2021.

No doubt many of you, along with us here in school, were disappointed to hear that there are no plans to further reopen schools until at least 8th March 2021. We appreciate how difficult remote learning is for children and parents and we will continue to do everything we possibly can to support our children and parents through this difficult time.

Unfortunately it is looking unlikely that half term is going to offer us any lifting of the current restrictions, apart from some respite from remote learning. We will therefore provide some **optional** fun activities and challenges to hopefully help fill the week and provide some entertainment for the whole family.

I will of course write to you in due course once we receive further guidance on what is to happen post March 8th 2021 in relation to schools reopening.

Kind regards
