## Weekly News

What a fantastic end of year we've had! It was wonderful to see so many of you at the performances of *Oliver!* last week. The children were brilliant - they did an excellent job of learning lines and songs and knowing where they were supposed to be, and when! Special thanks go to Miss Kinsley and Miss Beadnell for the time and energy they invested in ensuring that the children knew their parts, Mr. Mitchelson for bringing the performance alive with stage lighting and Mr. Hookham for directing and accompanying the show so wonderfully. Look out for details in the autumn term of our next musical event!

I find it hard to believe that my first year as Headteacher of Kellington Primary School is already coming to an end - it has flown by! I would like to take this opportunity to thank everyone who is part of our school community for the part played in making this a very successful year for our children. Together we

have given them some excellent opportunities (have a look on the school website [www.kellington.n-yorks.sch.uk](http://www.kellington.n-yorks.sch.uk), Curriculum - Curriculum Enrichment for a reminder of everything we've done!) I look forward to helping the children take on new and exciting challenges in the next school year but until then, have a wonderful summer!

## OLIVER!

A quote from Mrs Turford, a parent & governor. "A simply stunning performance showing what we all already know: we have amazingly talented, beautiful, clever and wonderful children at Kellington Primary School and it is simply the best bit of the job to see it first hand. From the singing and props to the scenery, choral numbers and lighting it was tremendous. We are very lucky governors to have all this happening in our tiny school."
