WEEKLY NEWS

Despite the return of winter this week it's been lovely seeing the children outside, enjoying practising new sports skills. Currently we have children taking part in rounders with Mrs Calam at playtime several times each week and tennis skills with Miss Wilson at lunchtimes, in addition, of course, to the activities going on in PE lessons. Meanwhile, in school there's been lots of hard work going on. Rubies impressed the other classes in assembly by sharing what they've been learning about castles and knights! It's fantastic to hear them using the new words that they've learnt, such as battlements and drawbridge, as part of their play. They've been making shields, crowns, swords and even a drawbridge and have taken part in some excellent role play!
