WEEKLY NEWS

Welcome back to what is probably the most exciting half term of the year - there's lots of festivals, events and celebrations to fit in before we even start thinking about the festive season! We've started with a very busy week which has included a visit from the fire brigade to talk to KS2 about fire and water safety, an afternoon of indoor athletics for Sapphires, the start of a half term of yoga for Sapphires and Emeralds and basketball for Diamonds and Rubies.

You'll be aware that we organise a lot of sports events and activities for the children; this is partly because of the additional funding which we receive from the Government to promote an active, healthy life style. If you are interested in finding out how we have spent our Sports' Premium funding then have a look under the 'School Information' tab on the school website (www.kellington.n-yorks.sch.uk).
