Introduction

Good attendance and punctuality at school is important and ensures continuous learning. School encourages good attendance through making the school day and pupils' learning enjoyable. We aim to encourage a positive attitude to school to nurture learning in all pupils.

Children need to feel that their contribution in school is valued and all staff care about them as individuals.

Attendance at School

Parents are legally obliged that unless there is illness or some other acceptable reason for absence, children should attend school for each session during the prescribed school days of the academic year. Children are welcome to go straight into their classrooms from **8:35** each morning; they need to be in school for 8:45am when school starts. ***(Please note children should not be on site prior to 8:35am as there is no supervision available)***

It is important that pupils are punctual and arrive prepared for the day's learning.

Reporting of Absences

Illness

Parents are asked to inform the school office by 8.45am each day a child is unwell and will not be attending school.

- A child who has been sick or who has diarrhoea should also be kept away from school until the child has been clear of the problem for 48 hours.
- Medical/dental appointments should be made out of school hours, however where this is not possible the school will require notification prior to the absence. When a child is absent for a medical appointment it is expected that they will return to school immediately following the appointment.

Please contact the office for further guidance on specific illnesses & required length of absence.

It is crucial that parents adhere to this procedure to ensure that all pupils are safe and their whereabouts accounted for.

Long term Absences

Occasionally, some pupils experience health or other difficulties that prevent them from attending school for some time. School deals with each case individually, agreeing procedures for re-integrating these pupils with each family as the need arises. Please contact the Headteacher if your child would benefit from such an arrangement.

Registration and Lateness Procedures

A registration system is in place to record, in an accurate manner, attendance, lateness and absences. This complies with Government and L.A. guidelines.

- School's official starting time is **8:45 am**.
- Any child arriving after 8:50am will therefore be registered with a late mark.
- Pupils arriving after this time should report to the school office as they will be required to sign in and provide a reason for the lateness.

- If a child arrives after 9.30am they will be marked as an unauthorised absence for the whole morning session. **Note – this is based on the Education (Pupil Registration)(England) Regulations 2006 and could be used as evidence against parents if legal action were to be considered by the Local Authority under Section 444 of the Education Act 1996.**

Absences for part of the day

From time to time, pupils show symptoms of illness at school. School will contact parents and other family members if a child needs to go home. School asks parents to ensure we have up to date contact names and telephone numbers for this purpose.

Parents are informed that they should not send children to school who seem unwell.

Pupils who are ill are often very distressed and illnesses are quickly spread.

In the event of School Closure

During winter months it occasionally becomes necessary to close the school due to adverse weather conditions. If this closure takes place at the start of the day it will be broadcast on *BBC Radio York, Minster FM and Yorkshire Coast Radio*. Parents will also be notified by text message and via the school website. If the weather or other conditions mean that a decision is taken to close school during the school day parents and guardians will be texted or telephoned and asked to collect their children as soon as possible. The school staff will remain on the premises until all children have been collected.

Leave of Absence from School during Term Time

There are 175 days each year when children are not in school. Absence for any reason during term time interrupts a child's education and disrupts educational progress. In order to maximise the educational potential of every child the amount of time lost to term-time leave of absences must be minimised. This can be achieved with the support of parents/carers by ensuring leaves of absence are not taken during term time unless there are exceptional circumstances. The Department for Education requires Local Authorities to implement government regulations regarding the taking of Leave of Absence in term-time, which came into force on the 1st September 2013. The law gives **no entitlement** to parents to take their child on holiday during term time.

Headteachers are only able to grant leave of absence in exceptional circumstances.

The following are examples of the criteria for leave of absence, which may be considered as 'exceptional':

- Service personnel returning from active deployment
- Where inflexibility of the parents' leave or working arrangement is part of the organisational or company policy. This would need to be evidenced by the production or confirmation from the organisation/company
- Where leave is recommended as part of a parents' or child's rehabilitation from medical or emotional problems. Evidence must be provided.
- When a family needs to spend time together to support each other during or after a crisis

This is not an exhaustive list and the circumstances of each case will be considered. Leave is only acceptable against exceptional circumstances and should not be granted on the basis of attendance record, academic performance or the 'experience' offered by being out of school.

Please note that the ability to access a reduced cost of a holiday does not constitute an exceptional circumstance.

A parent/carer wishing to request a leave of absence in term time is required to attend an interview with the headteacher to discuss their request. Parent/carers will be notified in writing of the decision for a leave of absence in term time within 10 school days of the date of the application.

Where a child is taken out of school for the purpose of leave of absence in term time without the permission of the school, the absence will be coded as unauthorised and as such may result in a Penalty Notice. Penalties are applied by the Local Authority and as such are not at the discretion of the headteacher. If a Penalty Notice is not paid, the matter may be taken to prosecution in the Magistrates Court.

Amendments to 2007 Penalty Notice regulations will reduce the timescales for paying a penalty notice. Parents must, from 1st September 2013, pay £60 within 21 days or £120 within 28 days. This brings attendance penalty notices in line with other types of penalty notices and allows local authorities to act faster on prosecution if the fine is not paid.

Should the child fail to return to school within 10 school days of the agreed return date and there is no communication from parents/carers the school may remove the child from the school roll.

Recording and use of Absence Data

When a child fails to attend school for one or more sessions this will be recorded as an absence. Unless informed of the absence previously by a parent/guardian, the School Business Manager will phone home from 8:50am on the morning that a child is not in school. Absences will be shown as authorised or unauthorised, following authority guidelines. The school determines whether an absence is authorised or unauthorised using these guidelines.

When absences are unaccounted for, school will telephone and/or send a letter home to try to ensure all absences are explained.

Data is collected and subsequently collated. Attendance figures are published for individual pupils in their school report and/or at the end of each term. Where pupils' attendance causes concern the parameters and procedures as shown in the Pupils Punctuality and Attendance Policy Statement will be followed (Appendix A) and shared with Educational Social Workers. Attendance information is passed on when pupils transfer to other schools.
