### Forest School

This week, Year 4 and Year 6 have had fantastic Forest School sessions. The children have had a wonderful time developing their forestry skills further. This included activities such as: whittling animals, making dream catchers, building dens and cooking pancakes over an open fire!

The children had a wonderful day in beautiful spring weather.

Next week, our Year 3 children will have their Forest School day on Wednesday 2nd. Please make sure the children come to school dressed for all weathers in clothes that can get dirty. As some of our children say, 'a mucky kid is a happy kid!'

### Kellington Art Gallery

Following a successful art afternoon inspired by the artistic style of Georges Saurat's 'pointillism', all the children's artwork was placed proudly on display for this week's event. It was amazing to see both the children and their families enjoying the exhibit and feeling proud of the achievements made by all.
